

CV of DR.SANDIP DEY

Dr. Sandip Dey did his Bachelors in Mathematics in 1999. He completed MCA from DOEACC society and M.Tech in Software Engineering from West Bengal University of Technology in 2005 and 2008 respectively. He completed Ph. D in Computer Science and Engineering from Jadavpur University, India in 2016.

He is currently working as an Associate Professor in the Department of Computer Science & Engineering at Global Institute of Management & Technology since February, 2019. Prior to that he was an Assistant Professor in the Department of Computer Science & Engineering at OmDayal Group of Institutions, Howrah from 2017-2019. Before that, he served as an Assistant Professor in Information Technology of Camellia Institute of Technology, Kolkata, India from 2009-2017. He was a Lecturer in Computer Applications at Narula Institute of Technology, Kolkata, India during 2005-2008.

He has more than 29 research publications in international journals, book chapters and conference proceedings to his credit. He is the author of a book which is being published by John Wiley & Sons, Ltd. Presently, he is working as the Editor and Assistant Editor of books which are being published by John Wiley & Sons, Ltd and Elsevier S&T Books, respectively.

He has worked as reviewer in different prestigious Journals and Book which include IEEE Access, Applied Soft Computing, *International Journal of Computers and Applications*, Taylor & Francis Online, *Swarm and Evolutionary Computation*, *IGI Global and many others*. He served as the Session Chair of the IEEE *International Conference on Research in Computational Intelligence and Communication Networks (ICRCICN 2018)* hold during November 22-23, 2018 at RCCIIT, Kolkata, India. He has been the member of the Technical Program Committee of several IEEE International Conferences including ICICN 2014, ICRCICN 2015, ICRCICN 2016, ICRCICN 2017, ICRCICN 2018, ISSIP 2017, ISSIP 2018, IMDA 2018, HCIRA 2018 and many others.

He is also the member of technical program committee of IEEE International Conference on Advanced Computational and Communication Paradigms (ICACCP 2019 & ICACCP 2017). His research interests include soft computing, quantum computing and image analysis.
