ABOUT CONFERENCE

International Conference on Innovative Computing and Communication (ICICC-2020) is organised with the objective of bringing together innovative scientists, professors, research scholars, students and industrial experts in the field of Computing and Communication to a common forum. The primary goal of the conference is to promote the exchange of innovative scientific information between researchers, developers, engineers, students, and practitioners. Another goal is to promote the transformation of fundamental research into institutional and industrialized research and to convert applied exploration into real time application. Overall the conference will provide the researchers and attendees with prospects for national and international collaboration and networking among universities and institutions from India and abroad for promoting research. ICICC- 2020 will be held at Shaheed Sukhdev College of Business Studies, University of Delhi, New Delhi on 21-23rd February,2020 . **All the accepted papers (after double blinded peer review) are published by springer(Proposed) and extended selected papers will be published in the special issues of SCI/SCOPUS/WoS/DBLP/ACM indexed Journals.**

ABOUT INSTITUTE

Shaheed Sukhdev College of Business Studies (CBS) accredited grade 'A' by NAAC is an eminent undergraduate management college under the patronage of the University of Delhi. It was established in August 1987 and has successfully completed 32 years of its glorious existence. The courses offered by CBS include BMS, BBA (FIA) , B.Sc (Computer Science) and Post Graduate Diploma in Cyber security and Law (PGDCSL) .The college aims to provide a wholesome learning experience that helps students integrate the real world problems with class room learning. It provides them with the necessary platform to delve into the world of creativity, ingenuity and originality. CBS has been acclaimed for its unique pedagogy, industry relevant syllabi and state-of-the-art infrastructure.

Shaheed Sukhdev College of Business Studies, University of Delhi was ranked Second best Business School in India at Under Graduate Level by India Today magazine, adding another feather to its cap. With a composite score of 1780, it was just 3 points shy of the first position.

CALL FOR PAPER

ICICC-2020 will be an amalgamation of three different Tracks organized parallel to each other, as listed below:

➤ **Innovative Communication Networks and Security:**
Wireless sensor networks, Mobile ad-hoc networks, Software defined networks, Information theory and coding, Cloud communications and networking, Wearable network and systems, Personal communication systems, Vehicular networks and applications, Wireless communications, Virtual and overlay networks, Future Internet Architecture and protocols, Satellite Communication, Next Generation Networking, Quantum Networking, Qos Provisioning and Architectures, Telecommunication Services and Applications, Optical Communication, Network Performance, Computer Security, Digital Signature, Information Security, Network Security, Cyber Security, MANET's

➤ **Innovative Computing:**
Computational Intelligence, Machine Learning, Artificial Intelligence, Signal Processing, Computer vision, Soft Computing, Decision Support and Decision making, Parallel computing, Distributed computing, Grid computing, Cloud computing, Mobile computing, Biomedical computing, Ubiquitous computing, Image processing, Information retrieval, Deep learning, Expert system, Internet computing, High performance computing

➤ **Internet of Things (IoT):**
Intelligent Systems for IoT, Environmental Monitoring, Machine to Machine/Device, Communications, Network Design and Architecture, Wireless Systems and Applications, Infrastructure Management, IoT and Big Data, Home Automation, Security and Privacy, Social Implications of IoT, Technological focus for Smart Environments, Smart City Case Studies, Data Analysis and Visualization, Architecture for secure and interactive IoT, Sensor, Wireless Technologies and APIs, Emerging IoT.

➤ **Social Sciences for Computer Applications**

PUBLICATION

All Accepted Papers are published by Springer (proposed), Elsevier (proposed) and selected extended papers of the conference will be invited to submit for publication in the special issues of the following journals:

➤ **Informatics in Medicine Unlocked, Elsevier [Special Issue on "Intelligent Computing Systems in Biomedical Image Processing"]**

Indexing: SCOPUS

➤ **Cogent Engineering, Taylor & Francis [Special Issue on "Intelligent Computing Systems in Biomedical Image Processing"]**

Indexing: SCOPUS, ESCI

➤ **Recent Patents on Computer Science, Bentham science [Special Issue on "Informetrics on Social Network Mining: Research and Challenges"]**

Indexing: SCOPUS, EI/Compendex.

➤ **Recent Patents on Computer Science, Bentham Science [Special Issue on "Deep Learning Algorithms for Internet of Things Data Analysis"]**

Indexing: SCOPUS, EI/Compendex.

➤ **International Journal of Grid and Utility Computing, Inderscience [Special Issue on "Novel Hybrid Artificial Intelligence for Intelligent Cloud Systems"]**

Indexing: SCOPUS, ESCI, EI

➤ **Journal of Information and Organizational Sciences**

Indexing: SCOPUS, ESCI

SUBMISSION

Researchers and practitioners are invited to submit papers on or before 01/12/2019. All submissions must be original and may not be under review by another publication. Interested authors should consult the guidelines for manuscript submission at:

http://icicc-conf.com/paper_submission

All submitted papers will be reviewed on a double blind, peer peer review basis.
