archanab.saxena@jimsindia.org

Dr. Deepti Sharma, Jagan Institute of Management Studies, Delhi, India,
deeptisharma@jimsindia.org

SESSION DESCRIPTION:

The special session on “**Digitization and Advancements in Online Education**” invites researchers and academicians to contribute original research work in the area of online teaching and learning. Dissemination of courses and contents through digital media has led to the globalization of education and led to the development of extensive online teaching methodology. There has been a further growth in this area during the covid-19 pandemic due to the lockdown of schools and colleges throughout the world. To address the current needs of education sector, the online teaching pedagogy has been widely adopted. Academicians throughout the world have explored novel tools and methods for teaching the students online. Online education has received both positive and negative feedback from various stakeholders.

The special session will offer a platform for researchers, academicians and industry to share their ideas and reviews in the form of original research papers, tools, practical applications and case studies on various issues related to online education.

RECOMMENDED TOPICS:

Topics to be discussed in this special session include (but are not limited to) the following:

1. Usage of Technology in Education Sector
2. Impact of Digital Education on Health
3. Recent Advances in Education
4. Role of Online Education During Covid-19
5. Evolution of Online Education Tools
6. Theory and Practice of Online Education
7. Online Teaching Pedagogy
8. Trends and Issues in Online Education

SUBMISSION PROCEDURE:
