

**ICICC-2021**  
**International Conference on Innovative Computing and  
Communication**  
Organized by Shaheed Sukhdev College of Business Studies, New Delhi, India  
On 20-21 Feb 2021.

\*\*\*\*\* **CALL FOR PAPERS** \*\*\*\*\*

**SPECIAL SESSION ON**

Data Science and Evolutionary computing

**SESSION ORGANIZERS:**

Dr Manjot Kaur Bhatia ,Dept of Information Technology, Jagan Institute of Management Studies, Rohini, New Delhi  
**manjot\_bhatia@hotmail.com**

Dr Suman Madan ,Dept of Information Technology, Jagan Institute of Management Studies, Rohini, New Delhi  
**suman.madan72@gmail.com**

Dr C Komalavalli, Dept of Information Technology, Jagan Institute of Management Studies, Rohini, New Delhi  
**komalavalli@gmail.com**

**SESSION DESCRIPTION:**

The digitalization has augmented our capabilities for collecting and generating data from different sources. Large volumes of data are generated each and every day of our life. The objective of this session is to bring together the researchers, scientists, and scholars across the globe who have been working and are interested to learn and share the insights acquired in the area of Data Science and Evolutionary computing. It will focus on original research based on concepts, tools, and techniques from computer science, automated computing, and applied mathematics for the analysis with an emphasis on security and privacy in various domains like healthcare, cyber security or any other real-world problem area. Papers in the Special Session are expected to range over a wide spectrum of topics from theoretical results to practical considerations, and from academic research to industrial adoption.

**RECOMMENDED TOPICS:**

Topics to be discussed in this special session include (but are not limited to) the following:

- Data Mining
- Big Data
- Machine Learning
- Deep Learning
- Statistical Analysis
- Decision Trees
- Semantic Web
- Large-scale visualization
- Clustering and classification
- Fuzzy Logic
- Data science for Cyber security

**SUBMISSION PROCEDURE:**

Researchers and practitioners are invited to submit papers for this special theme session on Data Science and Evolutionary computing on or before October 30<sup>th</sup> 2020. All submissions must be original and may not be under review by another publication. INTERESTED AUTHORS SHOULD CONSULT THE CONFERENCE'S GUIDELINES FOR MANUSCRIPT SUBMISSIONS at [http://icicc-conf.com/paper\\_submission.html](http://icicc-conf.com/paper_submission.html).

NOTE: While submitting paper in this special session, please specify **Data Science and Evolutionary computing** at the top (above paper title) of the first page of your paper.

All submitted papers will be reviewed on a double-blind, peer review basis.

All queries related to the session shall be forwarded to:
