

ICICC-2021
International Conference on Innovative Computing and
Communication
Organized by Shaheed Sukhdev College of Business Studies, New Delhi, India
On 20-21 Feb 2021.

******* CALL FOR PAPERS *******

SPECIAL SESSION ON

[Decision Making, Optimization and Sustainable Computing]

SESSION ORGANIZERS:

**[Dr. Prasenjit Chatterjee, MCKV Institute of Engineering, West Bengal, India;
Dr. Loveleen Gaur, Amity International Business School, Noida, India]**

SESSION DESCRIPTION:

[The objective of “**Decision Making, Optimization and Sustainable Computing**” session is to bring together the global research scholars, experts, and scientists from all over the world to share their knowledge and experiences on current research achievements in these fields. The session aims to provide an opportunity for global research community to share their novel research results, findings, and innovations to a wide range of readers, present globally. Data is everywhere and continuing to grow massively, which has created a huge demand for qualified experts who can uncover valuable insights from data in order to solve real life problems mainly from engineering and management systems domains.]

RECOMMENDED TOPICS:

Topics to be discussed in this special session include (but are not limited to) the following:

Artificial neural networks,
Big data,
Cloud computing,
Computational intelligence,
Evolutionary algorithms,
Fuzzy logic,
Fuzzy optimization,
Genetic algorithms,
Machine learning,
Mathematical optimization,
Multi-criteria decision-making,
Nature inspired computing,
Predictive analysis,

Soft computing techniques,
Support vector machines,
Swarm intelligence,
Quantum computing

SUBMISSION PROCEDURE:

Researchers and practitioners are invited to submit papers for this special theme session on **“Decision Making, Optimization and Sustainable Computing” on or before 15th January 2021**. All submissions must be original and should not be under review by another publication. INTERESTED AUTHORS SHOULD CONSULT THE CONFERENCE’S GUIDELINES FOR MANUSCRIPT SUBMISSIONS at http://icicc-conf.com/paper_submission.html. All submitted papers will be reviewed on a double-blind, peer review basis.

NOTE: While submitting paper in this special session, please specify **“Decision Making, Optimization and Sustainable Computing”** at the top (above paper title) of the first page of your paper.
